

March 2013 Newsletter!

Let's Personalize Your Kits!!!

We can print labels with your Logo and Kennel/Business Information under the words "Compliments of..." for the front of each Kit.

We would like to acknowledge your investment for your clients and give you a little free advertising space too! Simply e-mail me a hi-res jpeg of your logo and the information to be shown on the label.

Ms. Florence Erwin from Neigenuveaux Barbet was the 1st to obtain this and kindly allowed me to share a photo for all to see!

Upcoming Event

Elaine and I will be attending shows every other month and attending group meetings in between. We've been invited to a great club meeting on March 5th here in Ontario and are truly looking forward to meeting the members personally! Anyone interested in having us attend their meetings, just let us know.

German Shepherd Dog Club of America

I'm excited to say that we were involved in writing a series of articles on bringing puppies home, as posted on the GSDCA site at <http://gsdca.org/german-shepherd-dogs/homecoming-german-shepherd-puppy>. It was an honour to be involved in this project! Thanks to the wonderful GSDCA members for this opportunity!

New Materials

We're going to be working on some additional materials to empower shy puppies to become more confident and look forward to bringing you updates as we progress. We may even include some gentle massage techniques and proven scented oils to help bring calm and peace to dogs! A little holistic touch can go a long way!

Winner for March 2013

I had the BEST time shopping for this month's prize! How often does a person get to buy toys for puppies under 8 weeks of age? Sandra and Jim Fare, we're pleased to say you are this month's winners!
