

We Continue to Grow Monthly....Thanks To All Of You!

We are so pleased and honoured to welcome many more ethical Breeders across Canada and the United States to our growing list of clientele! August of 2013 has proven to be our best month yet and we appreciate your support immensely. Because of you, we can continue to promote the benefits of early proactive training for all breeds of dogs. Together, we are making a difference!

August Presentation

Our presentation to the Havanese Club of America was well received! The feedback was very encouraging and most attendees believed that our efforts to improve the bond between dogs and their owners are sincere. That means a great deal to us! Thanks to all who attended and an extra big thank you and hug to Rita Thomas who helped make this possible.

We are pleased to say we now have other breed associations inquiring about presentations. We truly look forward to these opportunities!

Rescues and Shelters Contest

We are having an on-line contest on our FB page for shelters and rescues! The draw for 5 copies of The Happy Puppy Training Kit valued at \$150 will take place on September 6, 2013. Simply select "like" on any contest post for your chance to win!

Avoiding Bites!

Adopting dogs from shelters and rescues is a wonderful thing to do. Unfortunately, we have recently heard about an increase in bites to adoptive families and have been asked to do some public speaking about bite prevention and de-arousal techniques. We will be attending the "Paws To Love" event on September 22, 2013 to help educate owners in an attempt to prevent these bites. Easy thing to do when one takes the time to learn about dogs.

Winner for September 2013

We'll cover the shipping charges on the next order of The Happy Puppy Training Kits! Jamie Bell, we are pleased to say you are our winner of the month!
